

ANTOINE FAUVILLE

DESIGNER BASED IN BERLIN,
GERMANY

FROM A LITTLE TOWN IN BELGIUM,
I BECAME HOOKED ON GAME DEVELOPMENT WITH "AGE OF EMPIRES" AND "STRONGHOLD 2" WHERE I CREATED SCENARIOS AND MULTIPLAYER MAPS. I LOVE ACTION GAMES, RPG'S AND STRATEGY GAMES.

I REALLY GOT TO MAKE MY PASSION A REALITY WHEN I MADE MAPS FOR "BOMBSLINGER" AND "RESEARCH". I HOPE I GET TO DO MORE OF WHAT I LOVE.

WHEN I'M NOT WORKING, I SPEND MY TIME ON PROTOTYPING, GAMING, PLAYING INSTRUMENTS, READING, PAINTING.
